LAS CRUCES AND MESILLA VALLEY

ANTHONY FLOUR MILL OVERHAULED

New Wheat Crop Expected Soon—Farmers' Association Will Build.

Anthony, N. M., June 10.—The Anthony roller mill has been overhauled and inspected preparatory to the season's running. It is now finishing up last year's stock of wheat and in a few weeks will begin on the new supply. The prospects are very favorable for a busy season as a large acreage was planted to wheat in this locality and it is now in excellent condition.

While riding one of his young horses, William King was thrown and his left leg broken above the knee. He is attended by Dr. Lawson, and a nurse from El Paso, who was called here.

James Sewell is putting down a shallow well for the Berino-Arroyo Farmers association to get water for the concrete and adobe work on its new warehouse. The material for the building is ready and when the water is obtained the work of construction will progress rapidly.

J. M. Holmes, of Decatur, Tex., who has been visiting his sister, Mrs. J. S. Brooks, has returned home.

IOWAN IS PLEASED WITH VALLEY LAND

Buyers Ranch Near Las Cruces After Making Thorough Investigation.

Las Cruces, N. M., June 10.—M. H. O'Connor, of Mt. Pleasant, Iowa, who came to Las Cruces two months ago with a view of buying a ranch and settling in the valley, had heard something of the fine soil and climate, but was not prepared for what he really found here.

After investigating and learning that alfalfa will net \$25 per acre, and considering that in Iowa, the returns are often less, he bought a 35 acre ranch three miles north of Las Cruces from Frank Barncastle.

Mrs. O'Connor and their little daughter will be here soon and they will begin making their ranch home in what Mr. O'Connor says is the greatest coun-

try out of doors. This particular piece of land is now off the market.

TAX ASSESSMENT PAYS FOR BRIDGES

Board of Equalization at Las Cruces Finds Property Increased.

Las Cruces, N. M., June 10.—The county commissioners sitting as a board of equalization, with Robert Netchmann, of Anthony, as chairman, has finished going over the tax schedules for 1910. Mr. Netchmann states that although Dona Ana county has lost heavily in cattle which have been shipped he is of the opinion that the increased valuation in property will more than make up the deficit, and as there is no bridge to be erected this year, the assessment will be about 1 percent less than last year. The Anthony and Rincon bridges which were built at a cost of nearly \$14,000, will be entirely paid for from the 1909 assessment.

LAS CRUCES LAND OWNER DIES AT HOME IN IOWA

Abraham R. Daughenbaugh, Millionaire Banker, Well Known in Mesilla Valley—Daughter in Las Cruces.

Las Cruces, N. M., June 10.—Word has been received of the death of Abraham R. Daughenbaugh, father of Mrs. Fay Sperry, of Las Cruces, at his home in Des Moines, Iowa.

Mr. Daughenbaugh, though a native of Illinois, was a pioneer settler of Iowa, leaving his native state in 1868. He was largely connected with banking interests and a land holder. He also had considerable property interests in Las Cruces and the Mesilla valley. He had amassed a fortune and his estate is estimated at over \$2,000,000.

Mr. Daughenbaugh was known to many citizens in the valley having visited his daughter and son-in-law, Mr. and Mrs. Sperry, on several occasions. He is survived by his wife and four children.

Friends Get Good Results

Kentucky Lady Regains Her Own Health, and Advises Friends to Take Cardui, The Woman's Tonic.

Cora, Ky.—"I was so weak I could hardly walk," writes Mrs. Iva Moore, of this place. "I took 2 bottles of Cardui and was greatly relieved. It is a splendid tonic. I have recommended Cardui to many of my friends, who have tried it, with good results. Cardui certainly does more good than any other medicine."

Letters from thankful ladies through the mails, telling of the success of this remedy, in relieving their many ailments, often after all other treatments had failed.

Such testimony, coming, unsolicited, from earnest women, surely proves the great value of Cardui as a tonic or curative remedy, for the diseases peculiar to their sex.

In the past 50 years, over a million women have been thus benefited by the timely use of that successful tonic medicine, Cardui.

Beneficial to young and old, non-mineral and non-intoxicating, Cardui well merits its high place, in the esteem of those who have used it.

For sale at all drug stores. It is certainly worth a trial.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

American Held Prisoner In Nicaragua

Washington, D. C., June 10.—Dr. Madrid, head of the de facto government of Nicaragua, will see to it that William P. Pittman, the American captured while adding the Estrada forces at Bluefields, gets protection and every right to which he is entitled. There will be no reception of the summary justice dealt by Gen. Zelaya on the two Americans Leonard Grace and Le Roy Cannon, he declares.

Pittman is reported to be well and is treated with consideration. Consul Moffatt, in a telegram from Bluefields, says that he himself is paying particular attention to Pittman and that the officers from the United States warships in the harbor visit Pittman every few days.

By Abn. Dr. and Mrs. R. S. Jackson have returned from El Paso. J. C. McNary, of Berlin, was here this week. W. C. Mead has gone to San Antonio, N. M., where he will take a position. Miss Gale Ables, of El Paso, is visiting at the Potter home.

Mrs. M. McKenna is spending a few days with Mrs. R. C. Glover. Mrs. C. Davis has returned to El Paso, after spending several days with her parents, Mr. and Mrs. J. D. Potter.

Invitations have been received to attend the dance given at Berlin Friday. The "Telephone Girl" will be given Saturday evening. It is well worth the money.

Gardner Richardson, of El Paso, is visiting H. Hannum.
